

About MOVBA

The Mid-Ohio Valley Beekeepers' Association (MOVBA) is dedicated to the promotion of beekeeping, and the education of the beekeeper, throughout southeastern Ohio and northwestern West Virginia. As a group, we strive to better understand both the art and the science of apiculture.

Meetings

MOVBA meets on the fourth Tuesday of every month, at 7:00 p.m. Meetings are held at the Washington County Career Center, on Ohio S.R. 676, outside of Marietta, Ohio.

During the summer months, hands-on training sessions are held at various members' homes. Meetings are spent in discussions, educational activities, or with guest speakers. We enjoy sharing our knowledge and learning together as we explore the world of beekeeping.

Events

Starting January 30, 2016, MOVBA will be in the twelfth year as sponsor and host of the *Honeybee Expo*. This conference will be held at the West Virginia University Campus, in Parkersburg, WV, on S.R. 47. We will be offering a full day of beekeeping classes for the novice or experienced beekeeper.
